

ESR151

1.5T Electric Ride-on Stacker

- Integrated charger
- Operation safety assurance
- Stability tested
- Comfortable operation with a foldable ride-on pedal

FEATURE

■ Integrated charger

ESR151 is equipped with a 24V/15A integrated charger which provides charging convenience and flexibility in daily usage.

■ Operation safety assurance

ESR151 is able to automatically switch to the low-speed mode when the height of the forks reaches to 720mm to ensure the operation safety. Also, with iron net covering the mast, the operator is protected from the goods that fall accidentally.

■ Stability tested

ESR151 is rigorously tested and able to pass the Industrial Vehicle Stability Verification GB/T26949.1 ~ 2012. Stability has been EP stacker's strong suit.

■ Comfortable operation with a foldable ride-on pedal

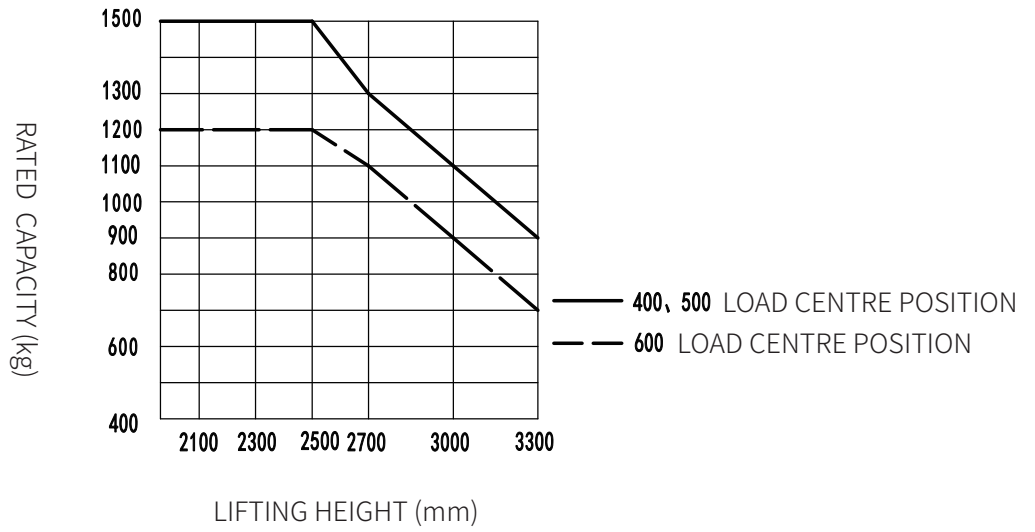

ESR151 adopts user-centric design and offers more comfort for operation via a ride-on pedal. Also with the pedal folded, it is allowed to operate the stacker in confined space in the turtle speed.
